EVERY CREATION IS A
NEW BEAUTIFUL START

"The heart opens when sitting in gratitude, and energy zings out my front paws. It makes me want to run. It's a jumping bean feeling and is really fun. That's how gratitude feels to me."

Hanna's Story loving adaptability and courage

A dog rescue group found Hanna in the Cayman Islands pound. She was quickly moved to the humane society, where they hoped to find her a foster. During the same time, Tricia was looking to help a dog through fostering, and when she met Hanna, she felt a deep connection.

Hanna embraced farm life and was adopted by Allesha, thus beginning her incredible journey as a barn mascot and a talented Heartist.

After facing the trials of abandonment and instability, Hanna courageously adapted to her new surroundings, embarking on a fresh chapter in her resilient narrative surrounded by a loving family and community.

Hanna has overcome adversity, as she emerged triumphant, leaving fear in her past and stepping courageously into a new sense of self. She embodies the very spirit of HeartWorks, illustrating the transformative power of love and care in the life of a furry companion.
